FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

Notification dated 18th June 1947.

Re : Payment of Scholarship, Passage and other amounts to departmental officers selected for technical training or higher studies abroad.

To

All Heads of Departments.

No. 2262—Books. The Heads of Departments from which officers are deputed to foreign countries for technical training or higher studies are not at present sending requisitions to this office promptly for arranging payment of scholarship and allowances, passage money, etc. Sometimes requisitions are sent to this office merely mentioning the Government Order sanctioning the deputation without giving full particulars regarding the amounts payable to the candidates, place and period of deputation, address and place of payment, etc. The result is that this office is unable to arrange for payments promptly without the required information and the candidates are often stranded in far off places, and cablegrams are being sent to this office by the candidates, the Bankers, the Trade Commissioner for Mysore and the High Commissioner for India demanding immediate payments. As this is not a desirable state of affairs, the heads of departments are requested to kindly furnish to this office, immediately on receipt of Government Orders sanctioning the deputation of a Departmental Officer abroad, the particulars necessary for arranging payments in the following form :—

1 G. O. Number and date sanctioning the deputation. .....
2 Name and designation of the officer ... .
3 Place and period of deputation ... .
4 Amount of salary, scholarship and other allowances payable. .....
5 Address and where payable ... .
6 Quarterly or monthly ... .
7 Date on or after which the first payment has to be made. .....
8 In case of deputation to the United States of America the permit number and date of the Reserve Bank of India for Dollar Exchange and the period of its validity. .....
9 Remarks ... ...

2. In the case of deputation to the United States of America prior permission from the Reserve Bank of India for Dollar Exchange is quite essential and must be obtained before payments can be arranged for in America. It is therefore quite necessary that in such cases arrangements should be made by the heads of departments concerned to obtain the requisite permission from the Reserve Bank of India and send the same to this office along with the other particulars before the officers are relieved to proceed on deputation.

3. In some cases, the officers have gone away without obtaining the necessary permits from the Reserve Bank and this office has been obliged to apply for the necessary permits from the Reserve Bank on their behalf although this office is unable to furnish several particulars required by the Reserve Bank for granting such permits. Some of the officers have arranged to obtain payments in the United States of America through the Travel Agents, Messrs. American Express Company, Bombay, and the arrangement appears to be working satisfactorily. Whether it is through this Company or through any other agency it is quite essential that necessary permit is obtained from the Reserve Bank and communicated to this office to avoid delay and inconvenience before the officer leaves for the United States of America. The services of Messrs. Coutts & Company of London can be availed of only for payments to be made in the United Kingdom, without such permits.

4. So far as passages are concerned, whether by sea or air the necessary bookings should be arranged for by the candidates themselves or by the heads of departments on their behalf. This office does not and cannot undertake to make such bookings. All that it can undertake to do is to make the necessary payments when claimed by the companies through which the bookings have been done.
